A pathway built around residents

The HomePod Village Pathway brings a safe home, practical support, skills and opportunities together, helping residents move towards permanent accommodation and independence. HomePod can provide an initial safe haven for women in refuge, with support shaped around their needs.

01. People in need

02. Council land secured

03. HomePod Village created

04. Sponsorship secured

05. Residents move in and gain an address

06. Bank account

07. Financial support

08. Training and qualifications

09. Mental-health and wellbeing support

10. Employment opportunities

11. Permanent accommodation and independence

12. HomePod becomes available for the next resident - the cycle repeats

For Councils
Explore suitable land, local housing needs and delivery partnerships. Site suitability, approvals and support arrangements are developed for each project.

For Investors & Sponsors
Discuss support for a village, training, employment opportunities and resident wellbeing with HomePod.
